Thoroughly press the quilt top and backing. Quilt seams should lie flat and be pressed to one side when possible to ensure even quilting. Clip all loose threads on both sides of the quilt top. Loose threads could show through the finished quilt. The quilt top should be square and lie flat. If the borders are wavy, I may or may not be able to complete your quilt. Batting and squared backing must be at least 4" larger than the quilt top on all 4 edges. Do not baste, pin or tack your quilt together - just fold each piece.

Trimming your quilt is a complimentary service. Please notify me if you would prefer not to have your quilt trimmed. Leftover backing & batting will be returned to you.

Fullness Disclaimer: Fullness and/or puckers within a quilt and its borders cannot be quilted out. There are no guarantees that puckers and tucks won't be sewn in. In some cases, excessive fullness in borders may result in the quilt corners not being square. The flatter the quilt top is, the better the finished quilt will be.

Mechanical Disclaimer: Please be aware that sewing machines, including longarm machines, are mechanical devices. Although I will do my best to ensure perfect results every time, on very rare occasions mechanical problems can occur which may cause minor damage to a quilt top and/or backing.

I have read, understand, and agree with the contents of the order form. I also understand that Blue Oaks Quilting, LLC will not be held responsible for quilting problems that are due to piecing problems in the top.

I understand my quilt will be given the best of care while at Blue Oaks Quilting, LLC. I will not hold Blue Oaks Quilting, LLC, or Julie Belin, liable for any damage that occurs to the quilt while it is in her possession.

I understand that no refunds will be made once the quilt is completed. Anything that does not meet my approval will be brought to the attention of Blue Oaks Quilting, LLC within two weeks of receiving the quilt. I further understand that every reasonable attempt will be made to rectify the problem.

I agree that if this quilt is entered in any show, credit will be given to Julie Belin of Blue Oaks Quilting, LLC for the actual quilting. As a courtesy, I will notify Blue Oaks Quilting, LLC if the quilt receives recognition or an award. I agree that photographs of this quilt may be posted to social media.
