T-shirt Quilts

T-shirt quilts are a wonderful way to cherish all those shirts you've collected over the years. Let Blue Oaks Quilting create the perfect memory quilt for you! Prices are based on the finished size of the quilt. Let me know if you require a special size and I'll send you a quote. The actual number of t-shirts that fit on a typical quilt size vary and the given quantity is a suggestion. Sales tax and shipping (when applicable) will be added. Actual cost will be determined by fabric choices, piecing patterns, and quilting options. T-shirts can be added to the back at an additional cost of \$10 per shirt.

Please wash your t-shirts, even brand new t-shirts must be washed. Stains or tears in t-shirts cannot be quilted out. Do not cut up your t-shirts - I'll do that to ensure proper spacing around logos. If there are specific instructions for a shirt, use blue painter's tape to mark those. If you have a specific part of a shirt I should not use, X-out that section with blue painter's tape. I am happy to discuss special requests with you.

T-shirt quilts can be blocked and sashed or pieced randomly. Coordinating cotton fabric will be used for the sashings, borders, backing, and binding. Flannel can be substituted for the backing if you desire. An 80% cotton / 20% poly blended batting will be used.

T-shirt scraps will not be returned unless requested. Payment by cash, check, credit card (through a secure Square portal), or Paypal is accepted. 50% payment is due with order placement. Remainder is due before the completed quilt is delivered. Please allow 4-6 weeks for delivery. Rush orders will be considered for an extra fee.

Ready to Order? Gather up your t-shirts and send me an email, blueoaksquilting@yahoo.com. We'll discuss options and confirm a price. Then, bring me your t-shirts or ship them making sure to track your package. Four to six weeks later I'll deliver a stunning memory quilt for you!
